**Subject: Implementation and Monitoring of PM Surya Ghar: Muft Bijli Yojana—
awareness creation for Expedited Progress.**

Sir,

1. In pursuance of the Government of India's flagship initiative PM Surya Ghar: Muft Bijli Yojana, aimed at empowering households through rooftop solar installations, wherein a District Level Committee for PM Surya Ghar (DLC-PMSG) is constituted vide OM dated 29.05.2024 by Union Ministry of New & Renewable Energy, GOI to monitor and facilitate necessary coordination between Departments to take action for implementation of scheme across the district.
2. In this regard, a series of UTLCC meetings under the chairmanship of worthy Chief Secretary of J&K have also been conducted to review the progress of the scheme. During the last UTLCC meeting held on 25.07.2025, Worthy Chief Secretary of J&K expressed displeasure on poor performance of the scheme and on-spot directions were issued to achieve the monthly target of 2000 (two thousand) RTS installations in Jammu division.
3. In this context, the **Jammu Power Distribution Corporation Limited (JPDCL)** is actively facilitating the implementation of this flagship scheme across the Jammu region. As part of our outreach strategy, we seek the kind cooperation and support of the **Education Department** to sensitize and encourage employees as well as students under your administrative control to come forward and avail the benefits of this scheme.

It is requested that necessary instructions may kindly be issued to all employees working under your department to:

1. **Explore the benefits** of the PM-Surya Ghar: Muft Bijli Yojana through the official portal <https://pmsuryaghar.gov.in>;
2. **Register themselves** and apply for rooftop solar installation in their residences through the same portal;
3. **Support awareness generation** by disseminating the information among all the Education Institutions (Universities, Colleges, Technical and Non-Technical Institutes etc. by organizing various awareness programs at Education Institutes of Jammu Division in collaboration with JPDCL.
